From the President — Donna Cushman:

Is spring here yet? Well, it's been a very, very interesting few months. When we thought winter was over, we got cold, snow and more snow. RRS has hit the record books this year with most dances hit by bad weather and/or other circumstances. Prom night was a fiasco, when the bartender failed to show up. We tried calling everyone, including the police, to see if they could locate someone with a key. By the time we did locate the President of Sons of Norway, it was too late to find someone to work. Many of us went to other clubs, so it turned out to be a fun evening, just not the evening we thought it would. Sons of Norway is making amends.

Bands & Location Survey--We want your input. The board is looking at bands and a location for next year. We want to know which bands you like to listen and dance to, and where you would like to do it. Please realize that the cost of some locations and bands are out of our price range.

The purpose of the survey is to look for new ways of increasing attendance at dances. We want the dances and events more inviting for wider age range to attend, while not losing anyone that comes now. The band should play a variety of music, so everyone goes home happy. If there is a band that you enjoy that's not on the list, please add it or e-mail red_river_singles@yahoo.com with your suggestion. We thank you for helping.

Golf Tournament is for everyone, including Alumni. It doesn't matter if you *never* had a club in your hand. There is a variety of talent, or lack of it, and it's great fun. So, please bring friends and join us.

Everyone, please say thanks to Doug Muir for getting the prizes and Anita Anderson for coordinating the event. Thanks a bunch you two. You are appreciated.

Detroit Lakes Pavilion: Jam Session, Potluck Picnic and Dance. This is an event that has not been done in a few years. It used to be a tradition with RRS. So bring your musical instrument and talent, and join the jam session, also dish to share, games and your dancing shoes. Brother Jukebox is a fantastic band, and everyone enjoyed their music before. Alumni are welcome.
