From the President—Corinne Renner:

As we approach the season of gratitude for the bounty in our lives, I want to thank everyone who has helped not only save this organization, but made it thrive. In the past couple of years, we have quintupled our treasury and increased our membership by 50%. We see new faces at every dance and people are smiling. Thank you for your loyalty which has made that possible.

I am also grateful for the terrific board members who have worked so hard to turn the club around. It was a daunting task to sign on for, but their willingness to serve has reaped great rewards. It is particularly nice to have Margie Eisenzimmer back on the board in charge of special events. She has some fun stuff in mind.

We also owe thanks to the Doublewood Inn for providing such a nice venue for the dances and for fixing their air exchange system. People have expressed concern that we may run out of room there, but what a wonderful problem to have! Next year we'll have three dances at the Sons of Norway, in addition one each at Johnson's Barn and Detroit Lakes. This will spice things up a little.

Thanks, too, to all the people who care enough about their club to ask questions and make suggestions. We don't know everything and we can't do everything, but we'll try.

Upcoming Special Events:

Happy Birthday to anyone that has a birthday in November and December. Let us know who you are, and we can have the band sing Happy Birthday to you.
